Brilliant views and unforgettable moments

The absolute highlights for your journey.

"You've got to see this!" This is definitely true for the following public transport highlights – for each and every one of them.

- 

Bernina Express: from Chur to Tirano or Lugano
 This premium panoramic train connects the north of Europe to its south – right through the heart of the UNESCO World Heritage Site of the Rhaetian Railway. As it masters every ascent, the fire-red train offers unrivalled views of mountains, glaciers and palm trees.
- 

Glacier 3000, 2,971 m a.s.l.
 This excursion mountain in the west of Switzerland captivates with an impressive panorama and the Peak Walk by Tissot. This is a 107-metre suspension bridge connecting two peaks. At a lofty altitude of 3,000 metres.
- 

Glacier Express: from St. Moritz to Zermatt
 Enjoy the most diverse views since the introduction of panoramic trains. From St. Moritz through the Rhine Gorge over the Oberalp Pass to Europe's most famous mountain, the Matterhorn in Zermatt. All on the slowest express train in the world.
- 

GoldenPass Express: from Montreux to Interlaken
 Lake Geneva, vineyards, and impressive castles: the GoldenPass Express combines the French-speaking "Riviera" region around Montreux with characteristic Swiss hillscapes. Step on the train and let the picturesque landscapes roll by.
- 

Gotthard Panorama Express: from Lugano to Lucerne
 The Gotthard Panorama Express is more than just a panoramic route: here, train and boat merge two beautiful Swiss regions into one unique experience. Starting in the Ticino, the journey leads first over the Gotthard mountain route and then across Lake Lucerne to the city of Lucerne.
- 

Gornergrat, 3,089 m a.s.l.
 Clearly, this mountain is among the Swiss highlights. The journey alone is an experience, with the Matterhorn always in sight. The viewing platform, surrounded by 29 four-thousand-metre peaks, offers a unique mountain panorama.
- 

Lucerne-Interlaken Express: from Lucerne to Interlaken
 Boarding in Central Switzerland, leaving back and arriving in the Jungfrau Region less than two hours later. The journey on the Lucerne-Interlaken Express leads along turquoise lakes and numerous waterfalls.
- 

Jungfrau, 3,454 m a.s.l.
 Top of Europe – high Alpine fascination made from ice and snow. An excursion destination with constant magical powers and an almost infinite view on clear days. From Interlaken in just one and a half hours to the summit.
- 

Rigi, 1,797 m a.s.l.
 The "Queen of the mountains" – easily accessible by train, bus and boat. No fewer than nine mountain railways lead up the enormous rock of Rigi and provide access to 120 kilometres of hiking trails. The ride up Mount Rigi is included in the Swiss Travel Pass.
- 

Boat cruise on Lake Lucerne
 Where tradition meets the modern age. Whether by historic steamer, innovative yacht or state-of-the-art catamaran: you always glide across the waters of Lake Lucerne in style. And as a holder of a Swiss Travel Pass even without any surcharge.
- 

Schilthorn, 2,970 m a.s.l.
 Piz Gloria – panoramic view in all its glory and the world's first revolving restaurant: on the Schilthorn summit, the beauty of the high Alpine scenery unfolds in its entirety and spectacularly stages the UNESCO World Heritage Site with Eiger, Mönch and Jungfrau.
- 

Titlis, 3,020 m a.s.l.
 Apart from its impressive relief, the only accessible glacier in Central Switzerland also offers Europe's highest suspension rope bridge. The ride on the revolving cableway TITLIS Rotair is an exciting experience in itself.
