Security measures to prevent and reduce the possibility of Covid-19 deployment in the Blue Ice Skating Rink area.

1. Following the government's instructions to maintain a safe physical distance for each person, we will limit the **maximum of 50 skaters** inside the court at all times. Our ice skating rink is sized 12109 sq ft (1125m / approx 14 units of a badminton court).
2. All our operations (14 people for 2 shifts) are Malaysian. We will provide personal protective equipment (face masks, transparent face protection, gloves) for all our users. Each user's body temperature will be recorded 2 times daily.
3. We will not allow use without a mask. This includes students, coaches, skaters, and skating academy students.
4. We will study the body temperature for each person before entering our empathy. This includes students, coaches, skaters, and skating academy students. The problem is that people who are sick and have COVID-19 symptoms (fever, cough, watery, shortness of breath) will not make them use our premises.
5. We will provide a cleaner for everyone to wash their hands before taking our premises.
6. The information (name, phone number, time of arrival, body temperature) of each person entering our premises will be recorded by our staff daily.
7. Every working hour we will disinfect all of our public contact areas (seating, lockers, skates, hand-held) premises.
8. We are equipped with an emergency room to handle emergency case problems.
9. We will be constantly updating our preventive methods in accordance with our updated government guidelines.

BLUE ICE SKATING RINK NEW SAFETY MEASURES

In order to follow Government SOP for Sports and Recreation sector in preventing the spread of COVID-19, Blue Ice Skating Rink will take some **new regulation in ticketing and Skating time**. We hope all visitors and students will understand and follow this new normal accordingly.

WEAR A MASK

All Visitors, Skaters, Parents, and Staff are required to **wear a face mask** inside Blue Ice Skating Rink premises. We will not allow anyone to enter the premises without wearing mask.
