

## THE RAFFLES AFTERNOON TEA EXPERIENCE

The Afternoon Tea ritual, much like Raffles Singapore was fashioned in the 19<sup>th</sup> century. A cherished tradition since its founding in Great Britain, the experience journeyed to Asia during the golden age of travel.

The founders of Raffles Singapore, the visionary Sarkies brothers, brought this elegant experience into our Grand Lobby. Since its introduction, the Raffles Afternoon Tea remains popular until today.

Revel in the elegance and grandeur of our Grand Lobby, as you take in the gracious hospitality, rich heritage and timeless refinement that is synonymous with Raffles.
