

P REINFORCED HEALTH AND SAFETY RULES

WE ARE SETTING EVERYTHING UP
TO ENSURE THAT YOU HAVE
A GREAT EVENING!

We aim to ensure that you spend a relaxed evening watching a spectacular show in the best possible conditions, we are re-opening with reinforced health and safety rules, in compliance with the instructions of the competent authorities listed below. New and more flexible cancellation conditions have been applied so you can prepare for your evening with peace of mind.

REDUCED SEATING CAPACITY

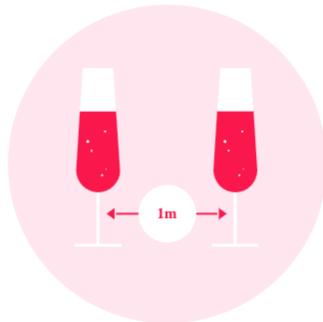

The number of seats at Crazy Horse Paris has been reduced and adapted to guarantee social distancing between reserved tables, in compliance with the applicable standards. Only people in the same group may be sat next to each other in the room (capped at 10 people).

For this reason, we strongly recommend that you buy your tickets in advance to make sure you can join us. You can still reserve on-site, however only if seats are available. If possible, please show your e-ticket on your smartphone for entry. You will be asked to scan your e-ticket, please set your screen brightness to maximum and zoom in on the bar code for this purpose. ...

SOCIAL DISTANCING

Social distancing rules are enforced to allow you to enjoy the show in the best possible conditions. In accordance with the instructions of the French government and health authorities, social distancing rules will be enforced in queues inside the cabaret, in the shop, at the cloakroom and in t, and for all members of personnel. These rules are advertised with signs and floor markings.

Directional arrows will also be signed up to avoid people crossing paths with others. Our staff will accompany all viewers to their assigned seats.

HEALTH AND SAFETY RULES

Health and safety rules are enforced for both your and our safety. In particular, masks are mandatory and we have reinforced our cleaning procedures.

A compliant mask (surgical or fabric) must be correctly worn (with your nose and mouth covered) when moving around the cabaret building. Viewers may only remove their masks when sat in their seats so they can enjoy their drinks and appetizers. Viewers must put their masks back on when moving around the venue, including after the end of the show. Please avoid moving around in the theater when not necessary.

Hand sanitiser dispensers are available at several locations at Crazy Horse Paris, particularly at the entrance, in the shop, in the hall and at the exit.

REINFORCED TRAINING AND PREVENTION

All members of Crazy Horse Paris personnel have received detailed training on how to support and apply the reinforced health and safety rules, the new health protocols, social distancing rules and how to approach contact-free interaction with a viewer... while leaving Crazy Horse Paris magic intact!

In order to ensure that viewers benefit from greater flexibility, new reservation conditions are now available, including cancellations and modification free of charge up to 24 hours prior to the show date. These conditions only apply to tickets booked directly with Crazy Horse Paris, by any means (by internet on www.lecrazyhorseparis.com, by telephone, on +33 (0)1 47 23 32 32, or at the cabaret at 12 avenue George V, Paris 8th district). Specific conditions apply for groups (more than 10 individuals). Please contact our sales service (groupes@lecrazyhorseparis.com).

TOGETHER

If we all make an effort, and comply with the health and safety rules in a responsible manner, the magic of an evening at Crazy Horse Paris can continue! Questions? Contact us at reservation@lecrazyhorseparis.com
