Re-introducing  
**Zero Skin Contact  
Protocol.**

*Updates September 2020*

*with  
upgraded  
hygiene  
measures.*

» » »

## RAPID TEST ALL STAFFS

---

We monitor the health of our staffs and conduct a weekly *Rapid Test*. Only healthy staffs are allowed to work.

\*Also applies to Home Services

## DAILY AREA STERILIZATION

---

Committing to our hygiene protocol, **daily fogging** will be conducted every morning at all Dandelion branches.

## STAFFS HEALTH CHECK\*

---

All therapists will go through health & body temp. check daily before they are allowed to work. Anyone not meeting the health standards will be sent home to rest & self-quarantined for 14 days.

\*Also applies to Home Services

## DAILY TEMP. CHECK CARD

Daily temp. check card is provided for customers to ensure the therapist handling them is in good health.

\*Also applies to Home Services

Daily Temp. Check

Tanggal: 8 april

dandelion  
therapy • body • life

Title	Nama	Suhu
Cashier	Sartika	<input checked="" type="checkbox"/> di bawah 37,5° C
Therapist	Rahma	<input checked="" type="checkbox"/> di bawah 37,5° C

pengecekan suhu badan setiap staff merupakan  
n untuk menjamin kesehatan setiap pelanggan.

## CLIENT HEALTH CHECK\*

---

We will conduct temperature check to all the clients coming in & we will make sure both staff & client are in good health before proceeding to treatment.

\*Also applies to Home Services

## CLIENT HEALTH CHECK\*

---

We insist that you **Bring Your Own Mask** and wear them properly at all times during treatments.

We will not accept clients with fever, cough and/or flu.

We will also refuse clients who have been traveling anywhere outside the city for the past month.

We apologize for the inconvenience.

\*Also applies to Home Services

## CLEAN YOUR HANDS

---

We provide soap & hand sanitizers in-stores. Feel free to use them before & after treatments.

**ZERO SKIN  
CONTACT  
PROTOCOL\***
