

How to change your Park ticket's reserved date

- ★ Park visit is automatically reserved for the selected date at the time of booking, follow the guide below to change the reserved date on [official website](#) or Hong Kong Disneyland App

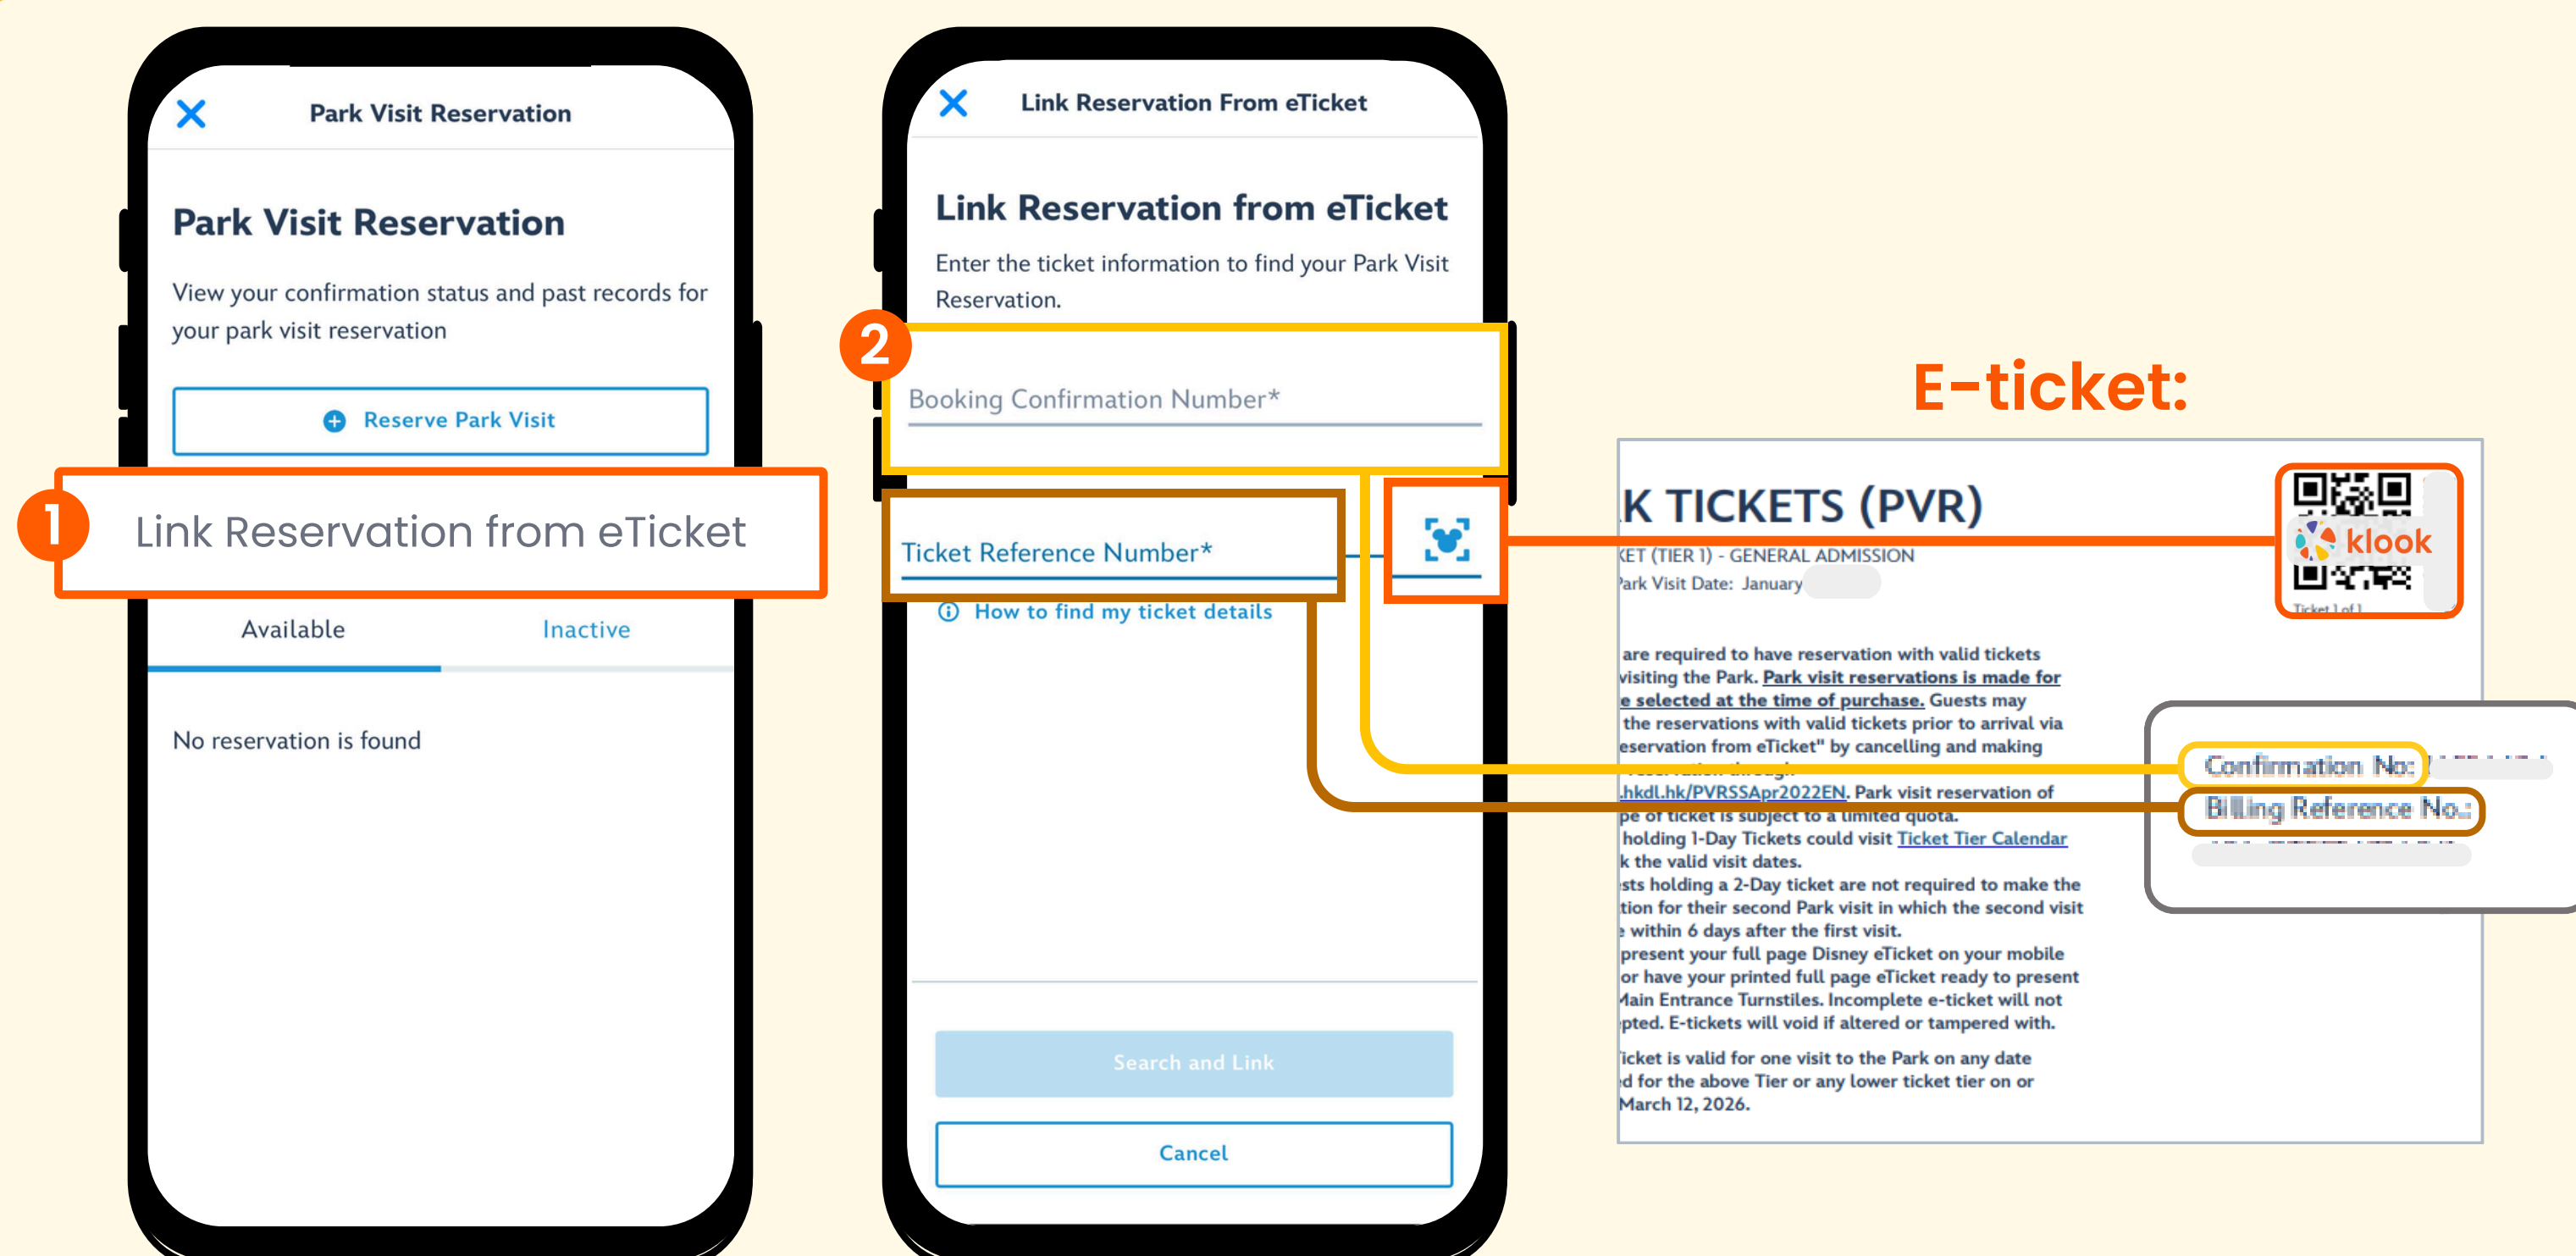

Reserved date cancellation

1

Click on **“Manage Your Visit”**, followed by **“Manage or Link Reservation”** to link your ticket

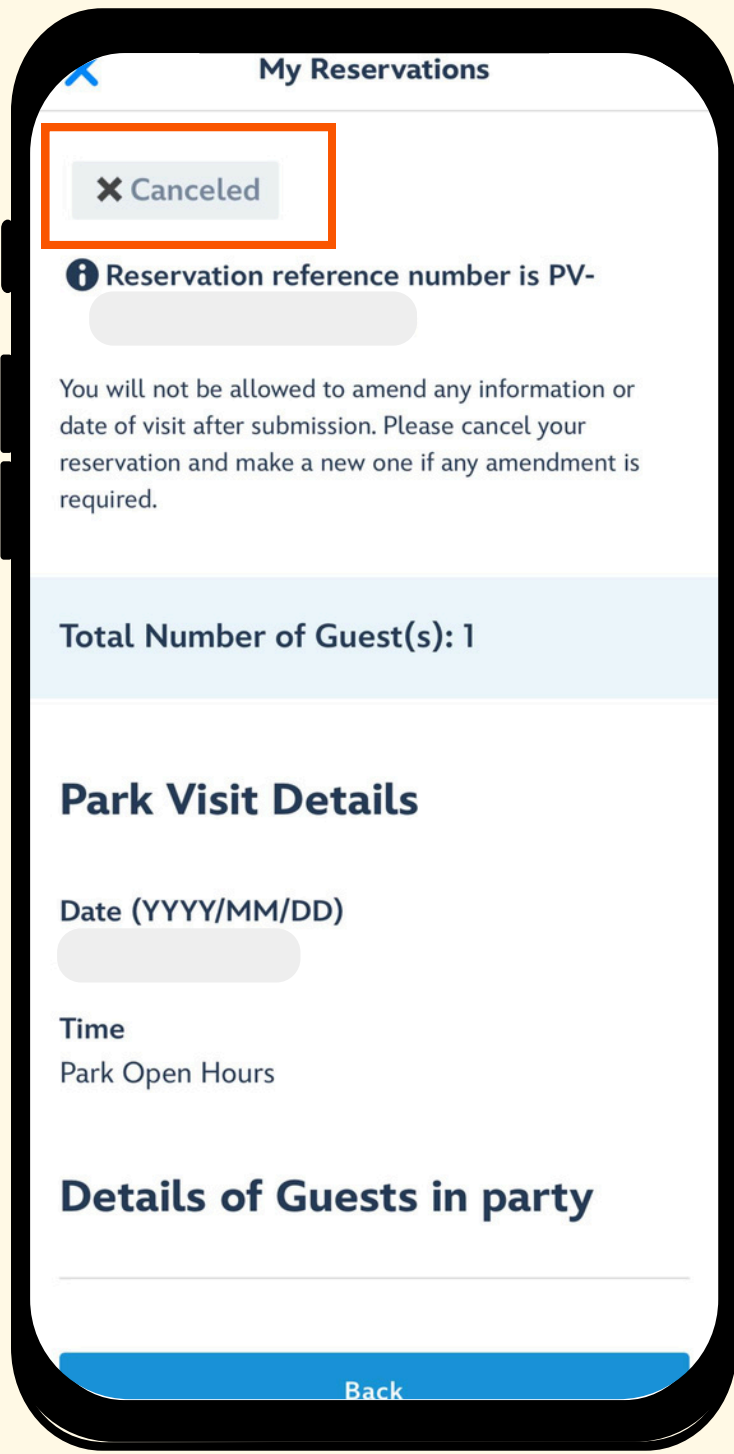

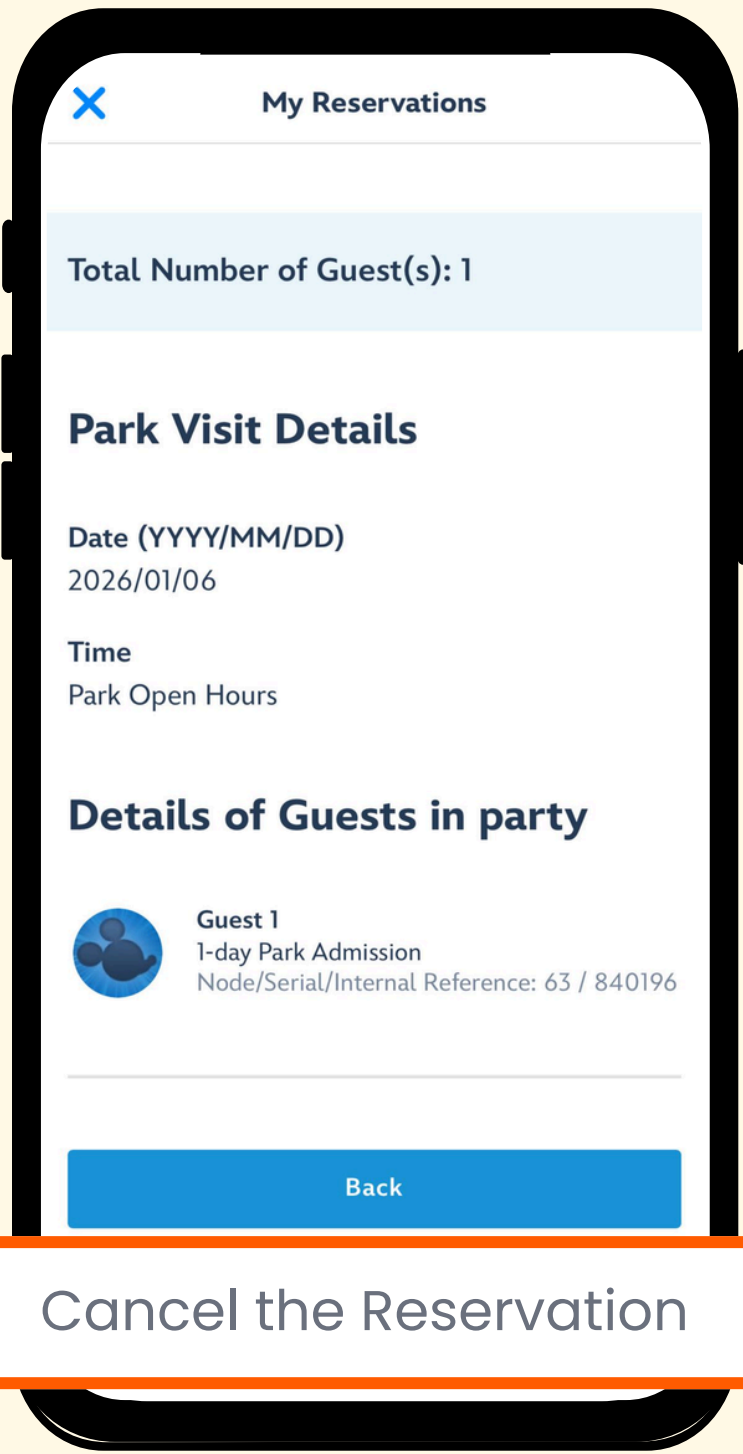

2

Click on **“Link Reservation from eTicket”**, then:

- Enter your booking confirmation number
- Scan the QR code or enter Ticket Reference Number (Billing Reference No)

3

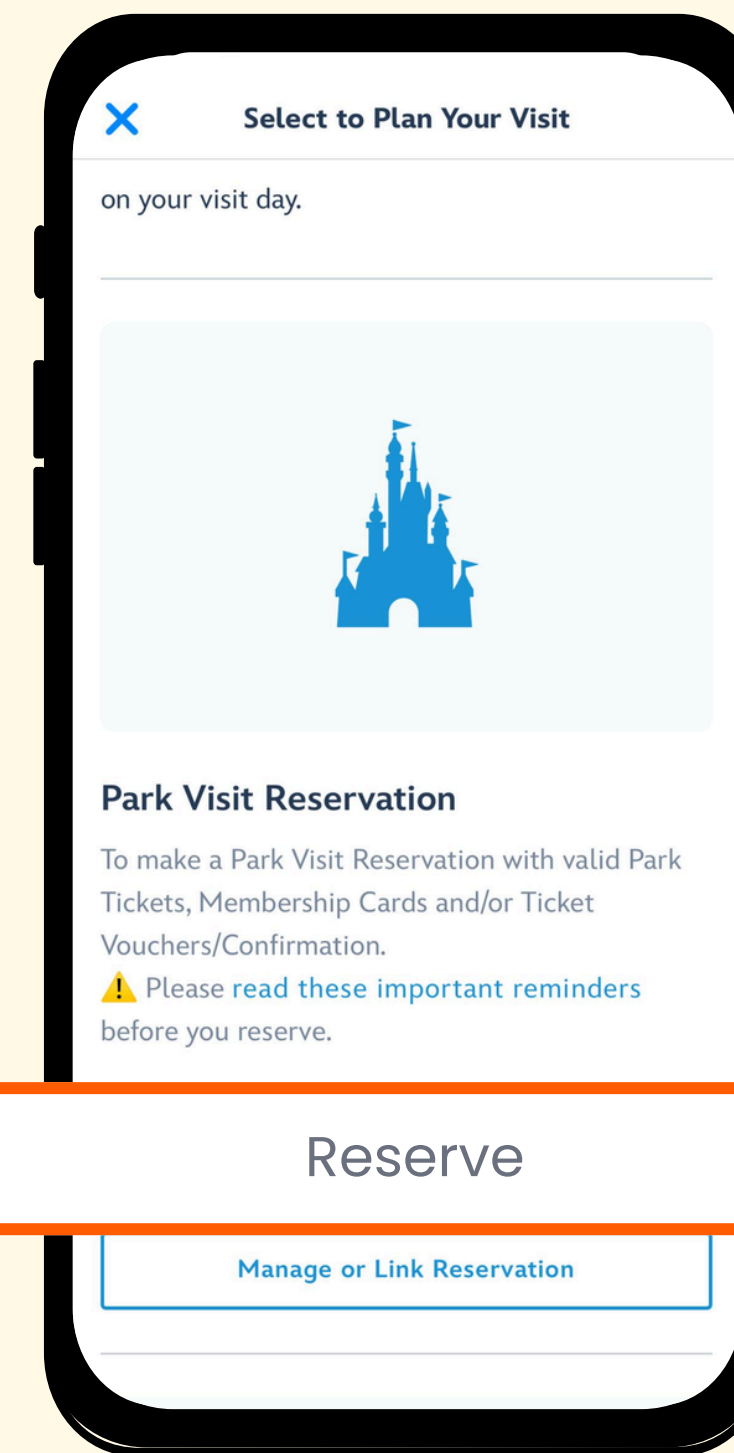

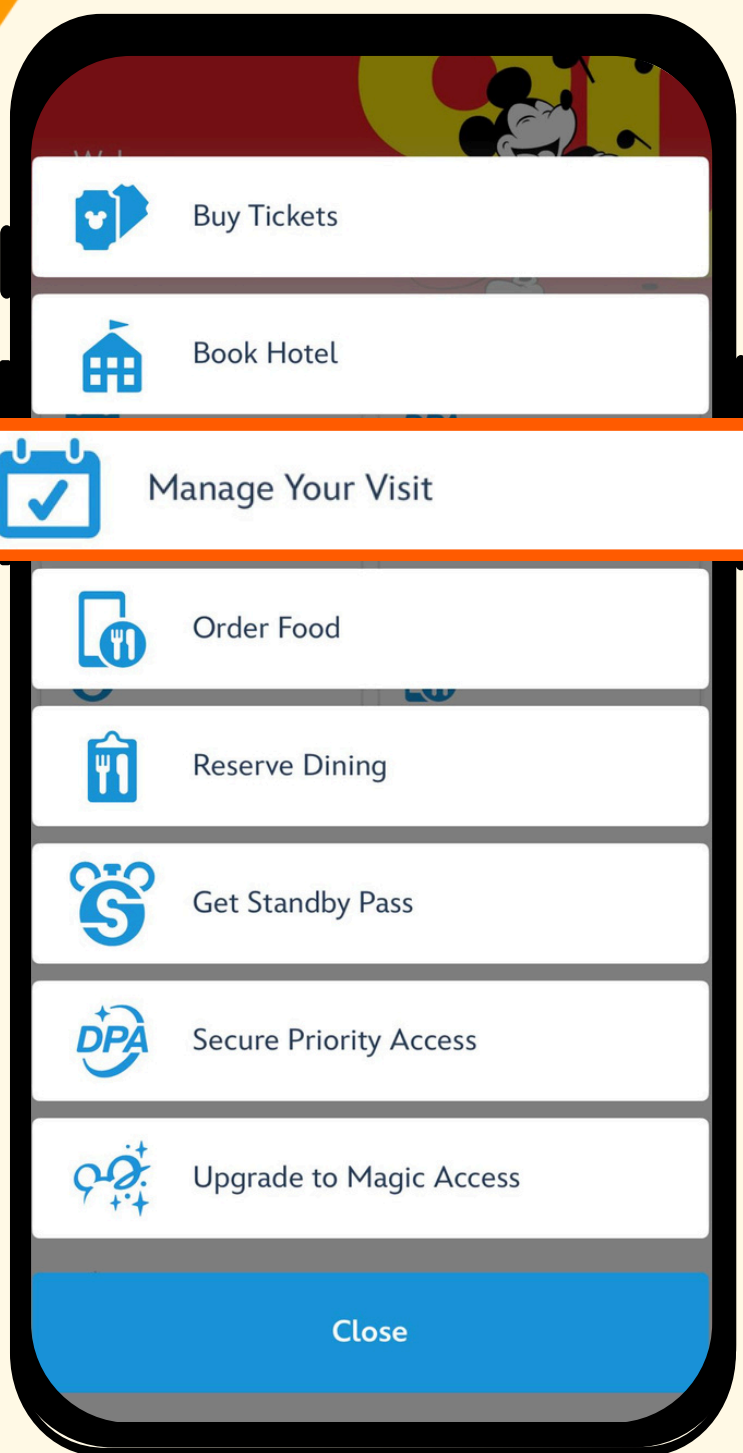

Once the ticket is linked, click **“Cancel the Reservation”**

The ticket will be shown as **“Canceled”** and proceed to reserve a new preferred date

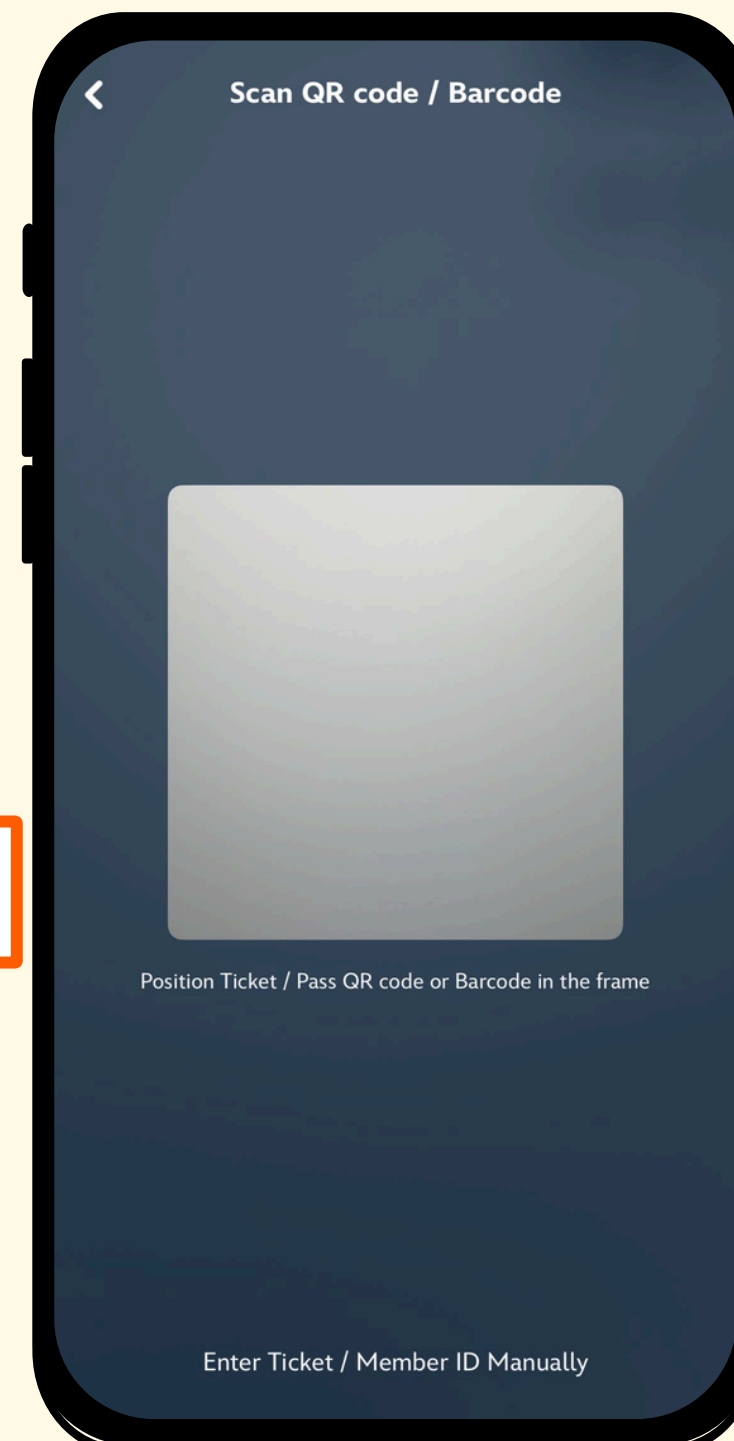

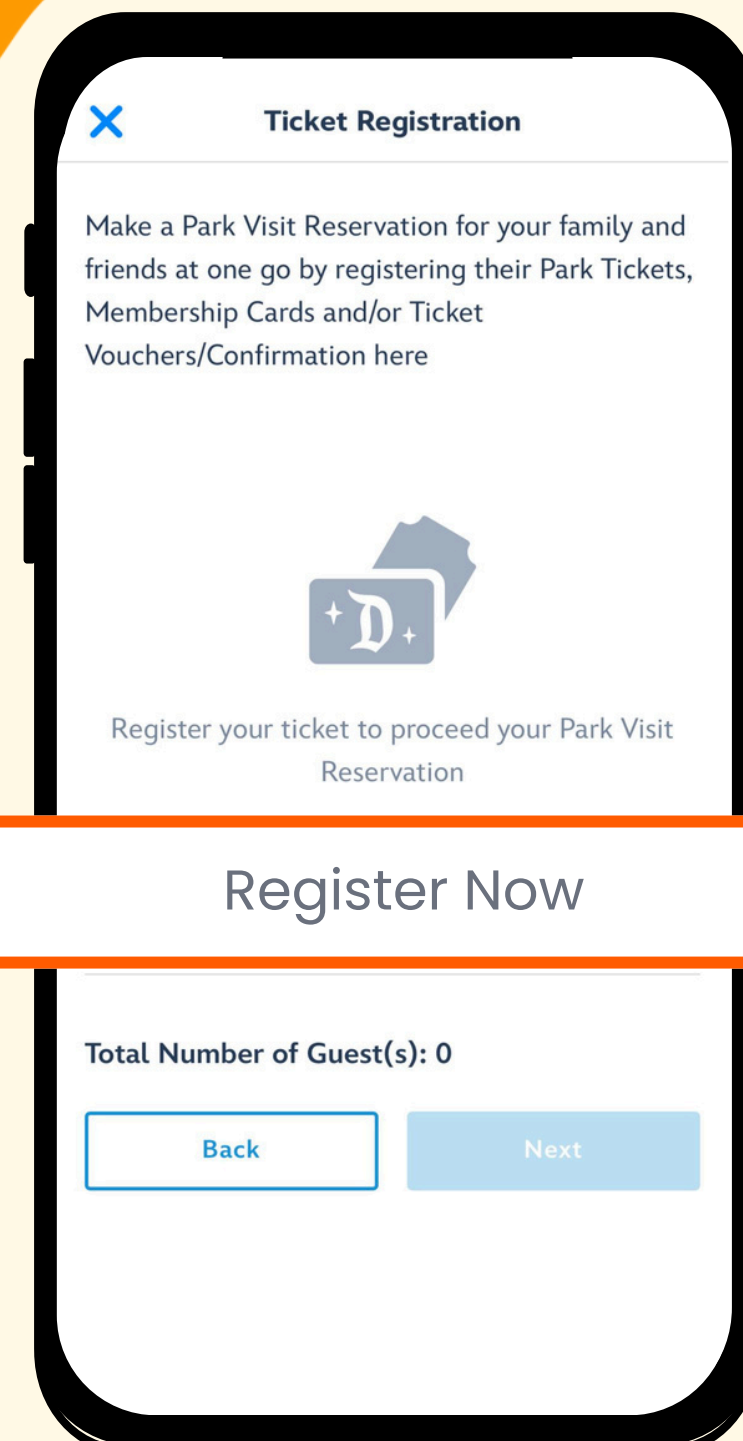

Reserve a new preferred date

1

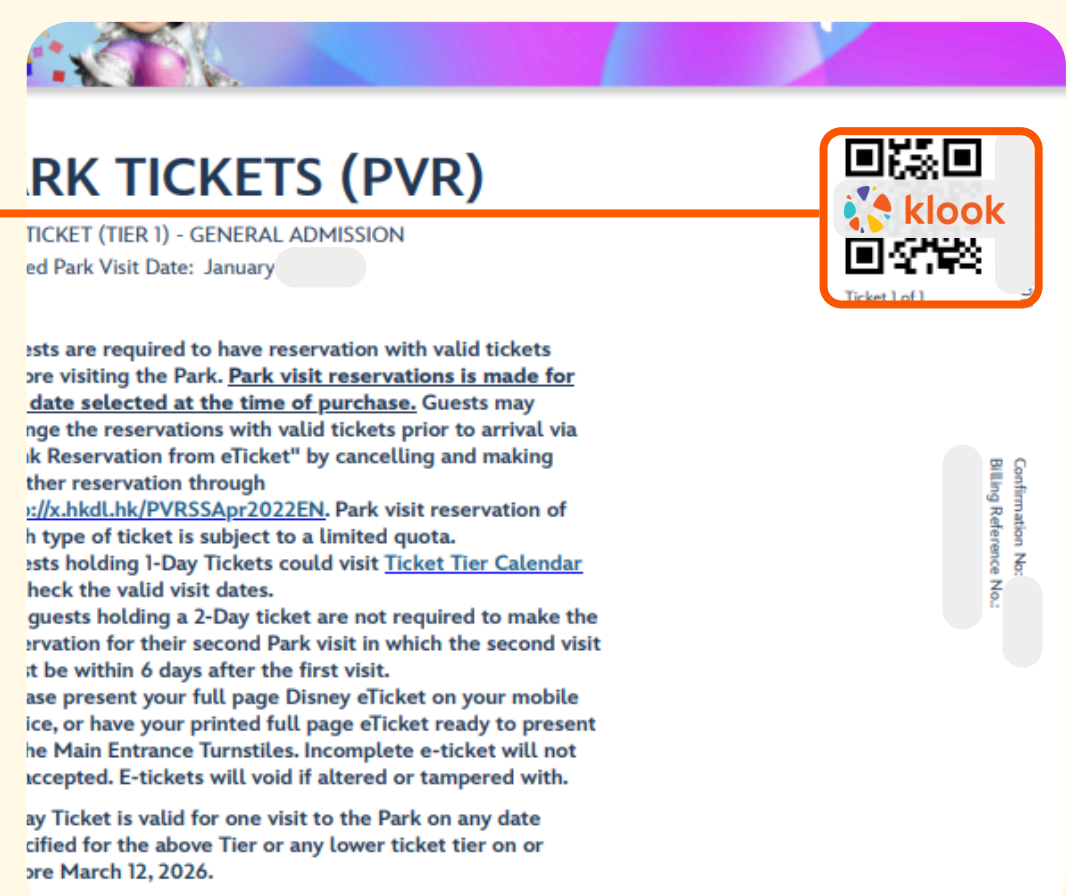

Click on **“Manage Your Visit”** followed by **“Reserve”**

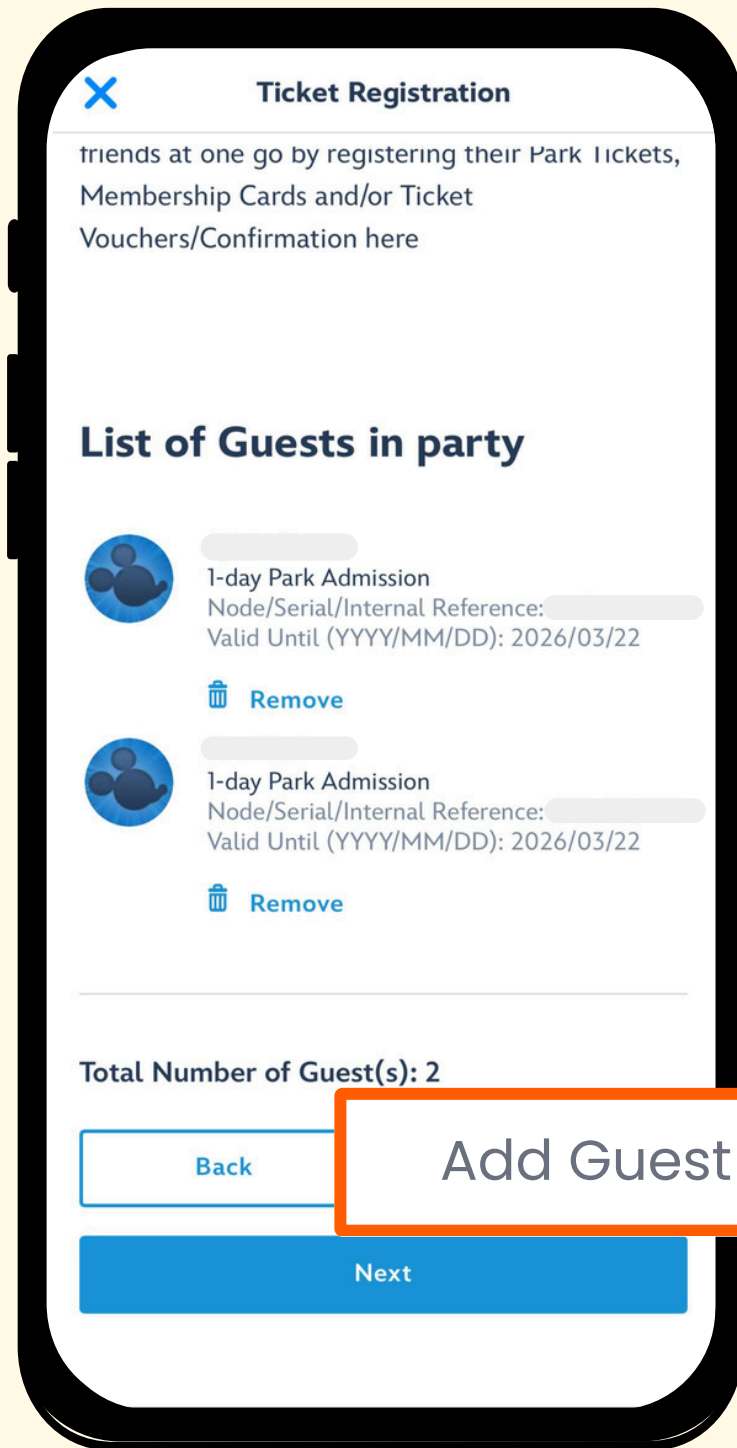

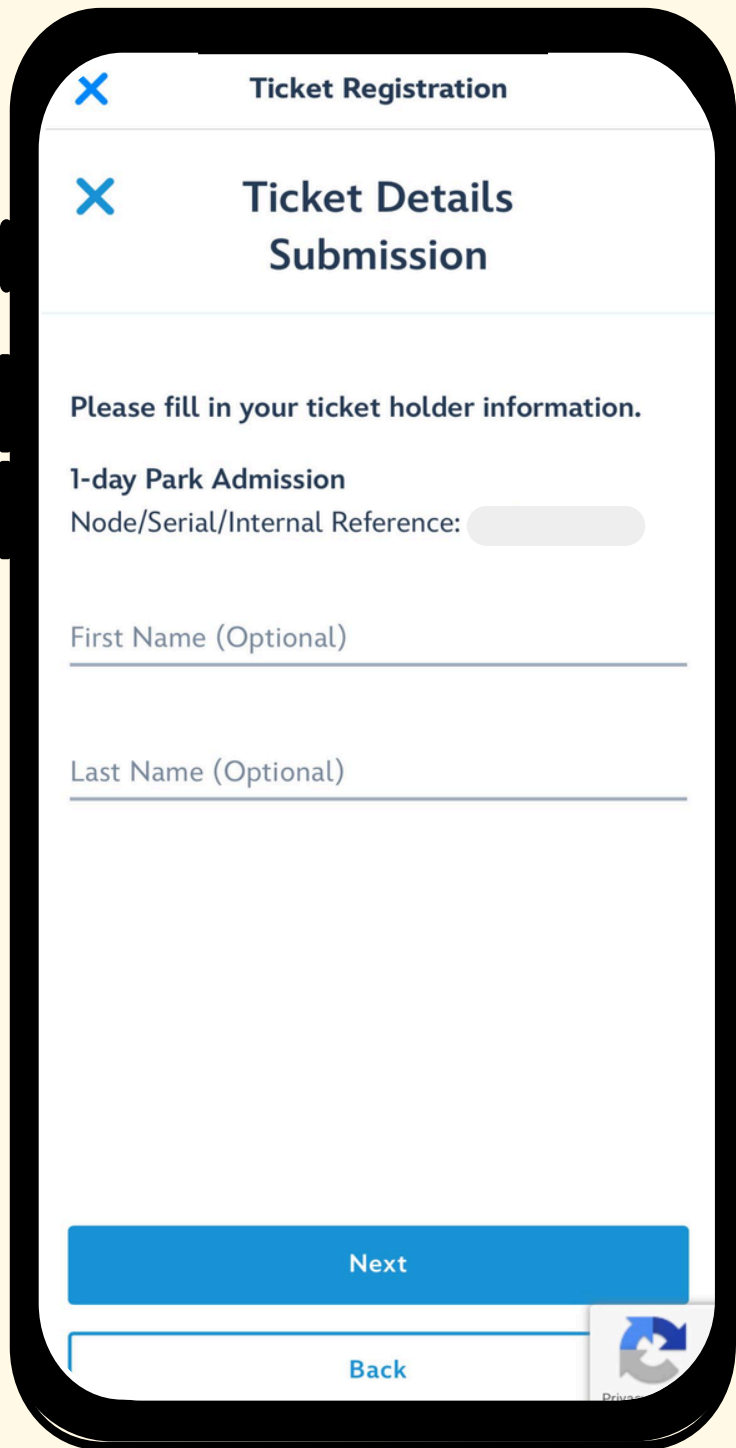

2

Click on **“Register Now”** then scan the QR code on your e-ticket

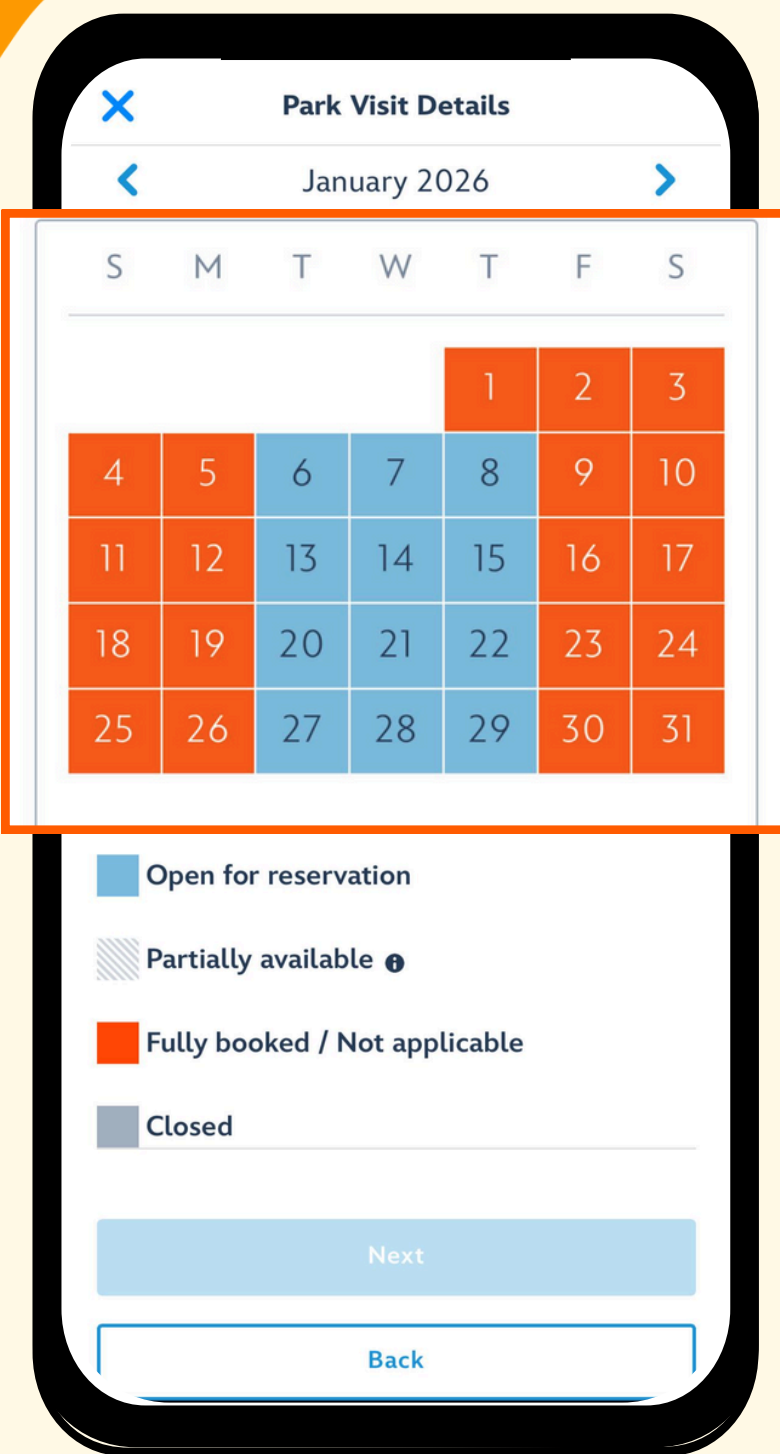

2a

Fill in your name and click "Next"

★ For multiple bookings: Make sure to cancel all tickets and reserve your preferred date using the **"Add Guest"** option

3

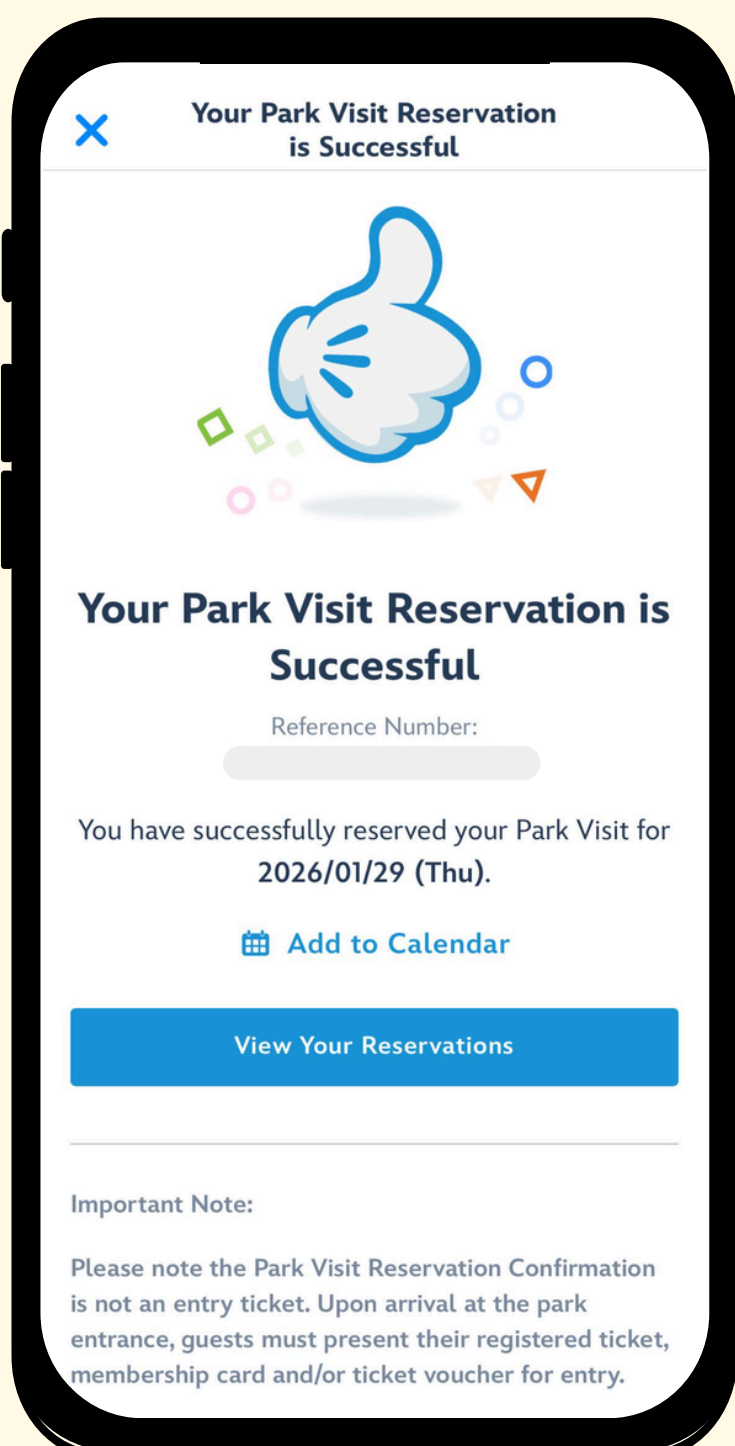

Select a new visit date:

★ The new date must be **within the same price tier or lower tier**

★ For example: If your original date is 10 Jan 2026 (Tier 2), your new date must also be in Tier 2 or lower tier (Tier 1), such as 28 Jan 2026

4

Landing on this page confirms your visit date has been successfully changed!

Just present your existing e-ticket on your newly reserved visit day!
