WE'LL NEVER STOP TAKING CARE OF YOU

A lot has changed, but some things are still the same — your health and safety remains our top priority. We've worked closely with the Singapore Government to design our plan. So all you have to focus on is having your best vacation.

Testing For All

Every guest and crew member will be required to test negative for SARS-CoV-2 (coronavirus) prior to boarding.

100% Fresh, Filtered Air

Our HVAC system continuously supplies and filters 100% fresh ocean air to all indoor rooms and areas.

Medical Grade Cleaning Standards

Our new sanitization protocols rival those at the best hospitals.

Less Guests, More Space For Your Family

Our ships will sail with fewer guests onboard, giving you more room.

Upgraded Medical Facilities & Expert Care

More doctors and nurses, upgraded facilities, equipment, and sound care plans.

Safe, Timely Return Home

Our plan with local authorities ensures you will get home safely.
