

Protecting our guests and employees

Although our buses are open top, mask wear is mandatory on the buses

Hand sanitizer gel or towels are available on the bus.

We have introduced social distancing at the stops and on the bus.

Reinforced cleaning measures will include daily disinfection of vehicles and frequent cleaning of all touch points throughout the day.

Contactless payment is available in some destinations. However we encourage customers to buy tickets online.

Safety recommendations and cleaning measures will be displayed on the buses.

We have installed hygiene screens at driver counters.
