ROYAL CARIBBEAN

DISCOVER INNOVATION

This is not a cruise. This is a journey beyond expectations on a ship that not only takes you to the sea, but to the sky. Where the nostalgia of childhood meets the technology of tomorrow. And an entertainment space that transforms from one amazing vision to the next. It's the rush of skydiving right on deck with the first skydiving simulator at sea. And the first roller skating rink and bumper cars ever to set sail.

It's ordering cocktails mixed by robots at the Bionic Bar® — then catching a full Broadway-style production of the hit musical, We Will Rock You. And enjoying breathtaking sights from the best seat in any house — the North Star®.

This is *Anthem of the Seas*®, a ship that elevates events to new heights.

THIS IS AN EVENT ELEVATING ESCAPE

Accomplish your business objectives and put your attendees right in the action on this impressive and exciting ship.

ROYAL CARIBBEAN MEANS BUSINESS

In the cruise industry, Royal Caribbean offers the largest percentage of public space dedicated to meeting facilities, with venues that can accommodate up to 1,400 guests on our largest ships.

A TECH-NAUTICAL MARVEL

Our meeting facilities are sleek, modern spaces loaded with state-of-the-art multimedia technology. Video walls? Check. Teleconferencing? Check. VOOM® —powered by Starlink* — and mobile phone connectivity? Double check. And you'll never have trouble finding the location of a meeting spot or dining venue. Throughout the ship you'll find our award-winning digital Wayfinders, interactive screens that tell you where you are and where you want to go at the touch of a button.

TEAM BUILD FROM SEA TO SHINING SEA

From bumper cars and circus school at SeaPlex® to specialty dining and group shore excursions, to pre- and post-cruise hotel reservations, we can bring your team together at sea so they can work together better back home.

*Fee applies.
