The screenshot displays the app interface for the Osaka Amazing Pass. At the top left is the LINKTIVITY logo with the tagline "Link The Activity". The main header shows the booking ID "Booking PRIVATE-20240618-B7HS". Below this is a large blue banner with the text "大阪周遊パス" and "OSAKA AMAZING PASS". The interface is divided into three sections, each with an expiration date of "2024-06-20 02:59":

- Section 1: "Available for use" (green button) and "Show Railway QR Code" (with a right arrow).
- Section 2: "Available for use" (green button) and "Scan Bus QR Code" (with a right arrow).
- Section 3: "Available for use" (green button) and "Scan Facility QR code" (with a right arrow).

At the bottom of the main content area is a button labeled "Reservation details". The bottom of the screen shows a mobile browser address bar with "t.linktivity.io" and a standard mobile navigation bar with back, forward, share, book, and copy icons.

On the right side, a language switch menu is shown. A red box highlights the "English" option in the top bar. A grey arrow points from this box to the "日本語" option in the dropdown menu. The dropdown menu lists the following options: English, 日本語, 简体中文, 繁體中文, and 한국어.
