

PROTECTIVE MEASURES

PROTECTION THROUGH PERSONAL RESPONSIBILITY AND SOLIDARITY

Wearing a protective mask is mandatory on all means of transport of the Jungfrau Railways.

Jungfrau Railways has developed a protection concept similar to the public transport concept, based on federal guidelines. It focuses on the **personal responsibility and solidarity** of all guests.

How we protect you

- We regularly wash our hands with soap or disinfectant.
- We wear protective masks for your protection. Wherever possible, a screen separates us.
- We maintain a distance of 1.5 metres from each other and from you, if possible.
- We regularly clean surfaces and objects.

- If we feel unwell, we go home and isolate ourselves until we are well again.

How you can help us

- Wash your hands regularly with soap or disinfectant.
- Wearing a protective mask is mandatory on all means of transport of the Jungfrau Railways.
- Please observe the rules of conduct at our train stations, on our railways and on the excursion mountains. The rules are set out on posters and announcements.
