JR Haruka physical ticket seat reservation

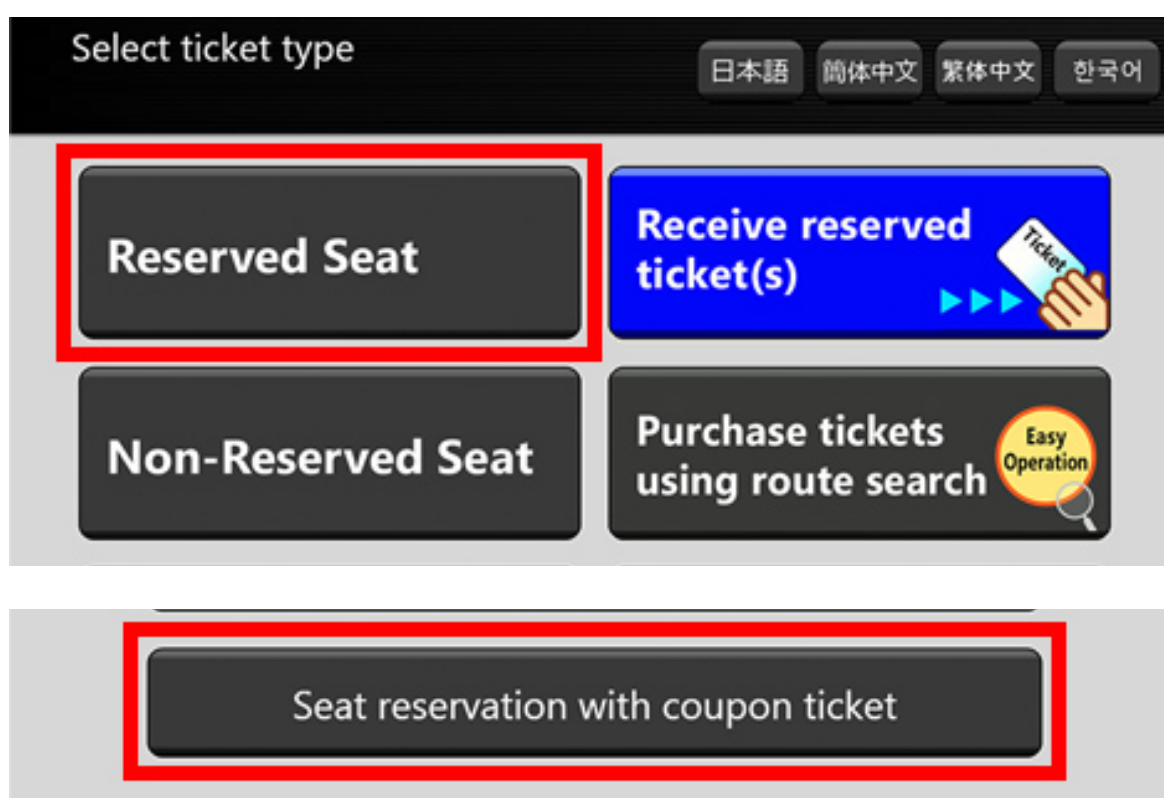

Visit the green ticket vending machine to reserve your seat

1

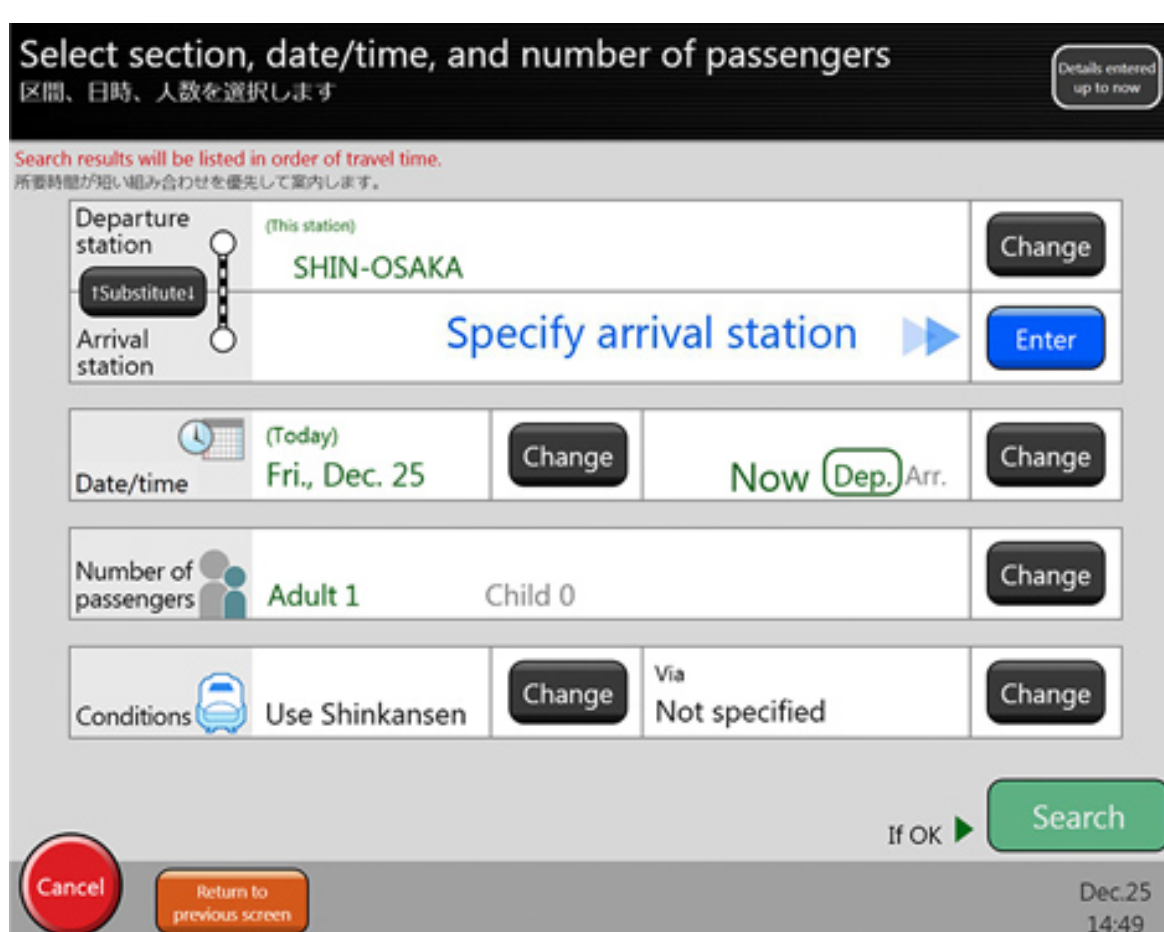

Insert your ticket into the "Ticket Commuter Pass" slot. You can make reservations for up to 4 people at a time by inserting all the tickets

2

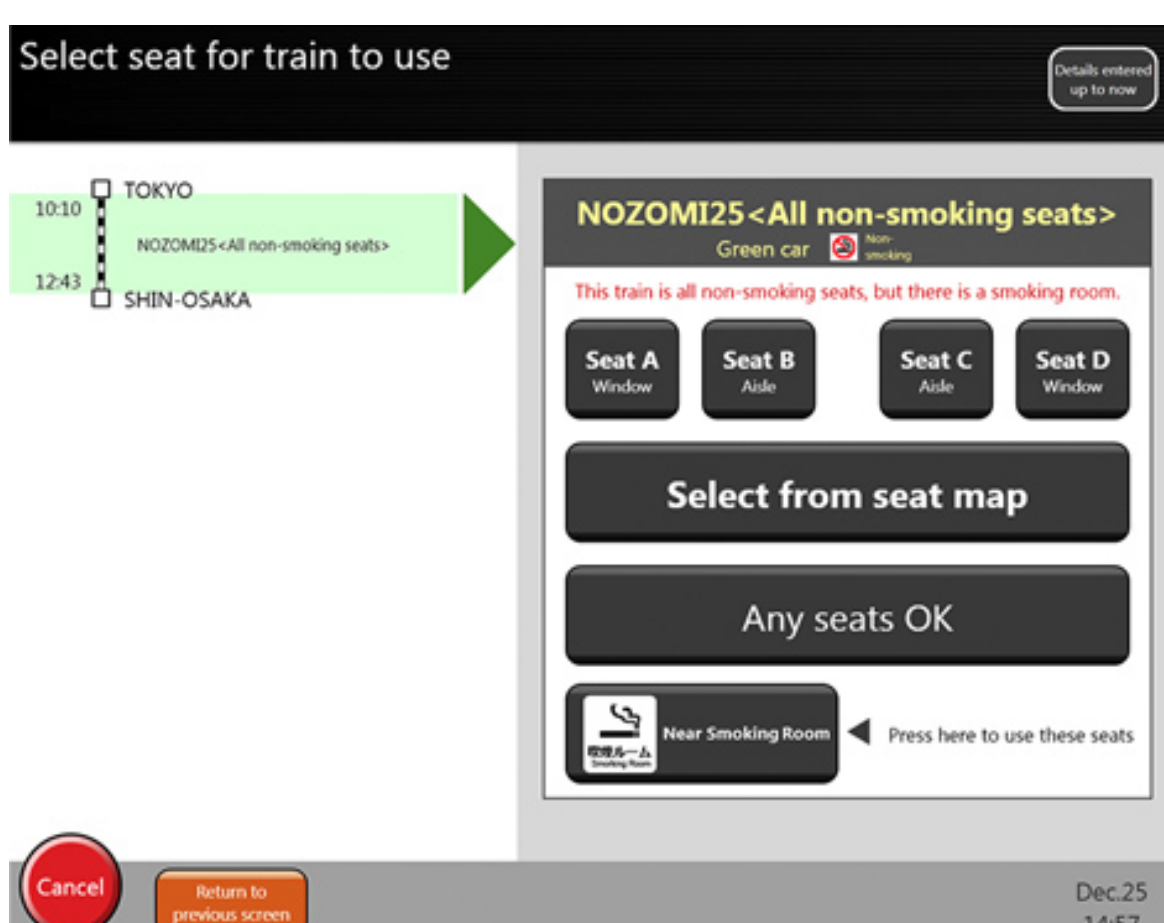

Select "Reserved Seat" and choose "Seat reservation with coupon ticket"

3

Search for a train with reserved seats and select a train you want

4

Select the seat and click "Confirm." The machine will issue a printed ticket with your seat reservation
