

# COVID - 19 Safety Procedures

We want you to enjoy a safe and worry-free adventure.

So, our expert team has put together new procedures that go further than government guidelines and don't get in the way of discovering our incredible history and heritage.

- You're required to wear a face covering onboard our mini-coaches. Please get in touch with [tours@rabbits.com](mailto:tours@rabbits.com) before your trip if you're unable to wear a covering
- You'll receive a quick temperature check at your departure point
- There's a short COVID-19 questionnaire to answer when you arrive
- Our mini-coaches have allocated seating to comply with one-metre indoor social distancing rules
- Hand sanitiser is provided onboard our mini-coaches
- When outside of our mini-coach, please comply with all government and 3rd party guidance regarding the control of COVID-19
- Our team take daily temperature checks and health questionnaires
- PPE equipment and perspex protection is provided to our team
- Only one household per booking is allowed
