Pamagiri Aboriginal Experience

RAINFOREST AMPHITHEATRE - This natural setting provides a beautiful backdrop for the traditional Pamagiri Dance Performance. The rainforest serves as the theatre walls whilst sounds of wildlife provide accompaniment to the haunting sounds of the didgeridoo and clapssticks. The amphitheatre is wheelchair accessible, and has a large protective canopy and tiers of comfortable wooden seats with the capacity for 400 people.

DREAMTIME WALK - This half-hour guided tour along an all-weather walk-way modelled on the Rainbow Serpent, the mythical creator of the land, gives insight into aboriginal traditions and beliefs, and how several ancient implements were used.

BOOMERANG THROWING - After a demonstration and a few lessons from your Guide, you'll be ready to test your skills with this ancient Aboriginal implement. The area is specially netted for your safety, as boomerangs do come back!

DIDGERIDOO PLAYING - Your Guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument - listen carefully for sounds imitating Kangaroos or the Kookaburra.

SPEAR THROWING - You'll be amazed at the distance your Guide can throw spears using a Woomeera. One of our Guides, Jawwa, is listed in the Guinness Book of Records with a distance of 147.75 metres - that's one and a half football fields!

Army Duck Rainforest Tour

Board here for your unforgettable 45 minute rainforest tour on an amphibious World War II Army Duck (officially spelt DUKW). Rainforestation has 12 of these historical vehicles, which hold up to 30 passengers and have 6 wheel drive, propeller and rudder. As you traverse the property, your guide will point out and explain ferns, orchids, strangler figs and stinging trees, as well as birds such as the Azure Kingfisher and a host of other animals and reptiles. As you splash into the lake, with propeller engaged, your Army Duck cruises up to the water's edge whilst turtles, fish and eels swim up close. Keep an eye out for water dragons or pythons sunbaking or slithering up trees.
