Klook yourself a meal set of their famous Mama Noodle Tom Yum Soup for 2-3 pax and skip the queues while you're at it!

If not, expect to find snaking queues winding round the restaurant and snaking down the street in Siam!

## 1345-1700: Shop till you drop at The Platinum Fashion Mall

Featuring three different blocks of six floors worth of wholesale shopping apparel and accessories, this is the best way to work off the post-lunch lethargy!

Do note since Platinum is a wholesale fashion mall, buying in bulk (i.e. more than 3 items) will often give you a significant discount.

Haggling is not as effective here as it is at the night markets, but it's always a good idea not to buy the first item you see since you are likely to find the same item (or similar) at a different shop in the mall.
