Accordingly, our teams have worked to put in place a charter of commitment to protect you. We have also made the booking procedure more flexible to facilitate the organisation of your future events.

YACHTS DE PARIS COMMITMENT CHARTER

1. Guarantee distancing between participants

In order to avoid simultaneous arrivals, we will schedule arrival time slots with the event organizer. Measures have been taken in our spaces to respect social distancing and a direction of traffic has been implemented throughout the venue.

2. Ensure masks are worn

In all communal areas, masks must be worn by our teams and by participants. Each person will need to have a mask.

3. Limit the number of participants in our venues

For everyone's comfort and safety, we have limited the number of participants in our venues and reviewed the capacities of our various rooms and reception salons.

4. Enhance venue cleaning protocol

We have enhanced cleaning in our reception areas and salons, which are regularly disinfected according to a specific procedure using virucidal products.

5. Keep hands clean at all times

Soap and water facilities or hand sanitiser gel distributors are available in several places.

6. Adapt our catering offers

We have modified our catering offers to adapt to health measures while guaranteeing the quality of our services.

7. Engage our staff for your safety

All our teams have been trained to observe protective measures and all of our specifically implemented preventive measures.
